**WILLIAMSON COUNTY CSCD  
APPROVED IGNITION INTERLOCK PROVIDERS  
February 2015**

You are required as a condition of your supervision to have an ignition interlock device with a camera unit installed into a motor vehicle to which you have regular access. Below is a list of approved ignition interlock providers that offer camera units. You are to contact one of these providers within the time frame set out by your officer and have an interlock device installed. You are financially responsible for any costs associated with the installation and monthly recalibration fees. When you call the company, inform them where you reside and they will direct you to the nearest service center for installation.
